

Doug Arkin

For over twenty years, *Arkin & Company* has been establishing business partnerships with our clients by providing responsive and quality audit, accounting, tax and financial consulting services to businesses and individuals throughout the Washington metropolitan area. Our firm takes a pro-active approach to meeting the needs of our clients. A key element of our approach is to provide ongoing communications on issues throughout the year. Our goal is to have regular discussions with you so that we understand, anticipate, and address your accounting, tax, and business related problems as they arise and before they become significant. Engaged as your accountants, we will work directly with you to assure we accomplish these goals. Our clients primarily are small to medium sized businesses in a variety of industries with annual revenues ranging from several hundred thousand dollars to more than twenty million dollars.
